CADCamp from Alignex

FLEXIBLE, ONLINE, INSTRUCTOR-LED SOLIDWORKS TRAINING BUNDLE

For a one-time cost of $895, take as many of our eligible Alignex EXTEND and EXTEND MASTERCLASS courses as you want over the next year.

All courses included in the offer were custom developed by our Application Engineers and were requested by customers that needed more options for user development beyond standard SOLIDWORKS training.

CADCAMP BUNDLE TRAINING DETAILS

- Annual program, expires one year from purchase
- Named user contract (per student)
- The named student can take as many of the eligible courses over a 12 month period
- Courses are taught by live instructors online through GoToTraining
- No system requirements - students will remotely access Alignex training computers
- Purchase the CADCamp bundle now, find and register for eligible classes later, at your convenience
- Training flexibility - All courses are just 4 hours

ELIGIBLE EXTEND CLASSES
