

An Alignex EXTEND MASTERCLASS Course:

# Continuing Education: Mastering Drawings

LENGTH: 4 HOURS

**Recommended Background:** Experience using SOLIDWORKS and/or SOLIDWORKS Essentials training.

**Description:** This class will teach SOLIDWORKS users advanced techniques for working with drawings. Students will get a deep dive into the SOLIDWORKS drawing environment including drawings setup, section views and detail views, design library, other views and MBD.

**Topics covered in this course are:**

## Lesson 1: Drawings Setup

- What Comprises a Drawing Template
- Tables
- Title Block Area in Sheet Format to Fill Out Custom Properties

## Lesson 2: Section Views and Detail Views

- Section Views
- Auxiliary View
- Removed Section
- Broken Out Section
- Detail View

## Lesson 3: Design Library

- Adding Notes to Design Library

## Lesson 4: Other Views and MBD

- Auxiliary Position View
- View Relative to the Model
- Importing an MBD Model View and Dimensions into a Drawing

Alignex reserves the right to reschedule any class that does not have a minimum of three students.

Payment for training is due prior to the start of class.

There is a 25% fee for not canceling at least 3 business days prior to the start of class.
